# INTRODUCING THE POPULAR NORTHERN SECTION

We at the Staffordshire BB&MC value our Northern Birds and wish to encourage all Exhibitors to enter them in their **Own** Northern Section where the Best Northern Exhibit will be equal with the Best British Exhibit. The only difference being, that because of the difference in the number of entries, the size of the Winner's Trophy and prize money will be larger in the British Section. As the Northern entries grow, then also so will the Trophy and prize money until the Best Northern and Best British are really equal.

We feel that we are doing our best to encourage our Northern Exhibitors and hope that our efforts are appreciated.

**Let us have a Northern Section worthy of the show, even better than last years!**

# Directions to the Show Hall

Chesterton Community Centre, 183, London Road, Chesterton, Newcastle, Staffs. ST5 7NZ

As the above map shows the hall can be reached by leaving the M6 at either junction 15 or 16 and then picking up the A34 North or South respectively.

Probably the simplest way is to leave the M6 at Junction 16 and take the 4<sup>th</sup> exit onto A500 towards Stoke-on-Trent.

Then leave the A500 at the 2<sup>th</sup> Junction signposted for Talke and at the roundabout at the top of the slip road take the 4<sup>th</sup> exit onto the A34 signposted for Stafford.

Stay on the A34 until the 2<sup>nd</sup> roundabout and then take the 3<sup>rd</sup> exit onto the B5369 Wolstanton Rd and then at the next (**major**) roundabout take the 4<sup>th</sup> exit onto the B5500 London Rd. The Show hall is now only about 50 yards on your right hand side.
